

## S-Series 19" Wall Mount Racks

Our "S-Series" range of Hypertec 19" Wall Mount Racks cater for effortless installation of both the cabinet and your valuable equipment while maintaining and accessing equipment is also made easy with Hypertec's wide range of accessories.

Our Wall Mount Racks can be used underneath stairwells or tight corners and are ideal when you need to secure a small number of items such as patch panels or modems at eye level height for ease of use and maintenance.

Sturdy frame manufactured to precise dimensions from SPCC high quality cold rolled steel with a thickness of 1.5mm for the rails, 1.2mm doors and 1.0mm for the frame and side panels, making Hypertec racks very rigid under load conditions.

Hypertec Wall Mount Racks are designed to carry your valuable equipment up to a 90kg weight load when installed in suitable walls and in accordance with the manufacturer's instructions.
